

Series 6000

Sierra 6000

The Sierra 6000 spa couldn't be more complete if it came with a private butler! The 6000 features every state-of-the-art upgrade found in the industry today. From the 17 inch Plasma Screen DVD TV combination with stereo surrounding the spa, twin waterfalls, reflexology Foot Therapy System, head rest pillows and laser light show to the perfectly balanced lounge and seating arrangement offering the finest in relaxation and massage therapy, the 6000 is the most comprehensive spa in the industry.
